

Dear All,

Medanta in association with Association of Medical Physicists in INDIA (AMPI) - Northern Chapter is organizing a CME - 'ROBOTIC STEREOTACTIC RADIOSURGERY & STEREOTACTIC BODY RADIOTHERAPY' on 11 October, 2014 at Medanta - The Medicity, Gurgaon India.

The program will include interactive lectures from the eminent speakers and live demonstration of CyberKnife treatment delivery for moving targets. A wide range of technical and clinical experience on robotic radiosurgery will be presented with live demonstrations.

We cordially invite you and look forward for your participation in the emerging topic of robotic SRS/SBRT to learn the cutting edge technology in high precision radiotherapy. You are requested to register early as the number of seats is limited.

Invitation for:

- Medical Physicist
- Neurosurgeons
- Gastroenterologist
- Orthopedics
- Radiation Oncologist
- Radiation therapist
- Pulmonologist
