International Day of Medical Physics Celebration

Symposium on

“Radiation and Medical Physicist : Optimizing, Adapting
&
Personalizing Cancer Therapy”

Organised by
Jaypee Hospital

&

Association of Medical Physicists of India (Northern Chapter)

Date : Saturday, 8 November, 2014

Venue : Auditorium, Jaypee Hospital, Sector -128, Noida

Welcome

International Organization for Medical Physics (IOMP) has announced 7th of November, birth anniversary of Marie Sklodowska Curie as International Day of Medical Physics (IDMP). We are pleased to announce that Department of Radiation Oncology in Jaypee Hospital, Noida in association with Association of Medical Physicists of India - Northern chapter (AMPI-NC) is celebrating International day of Medical Physics (IDMP) on 8th of November in order to commemorate birth anniversary of Madam Curie.

A one day scientific event is organized to celebrate this occasion with scientific presentations and panel discussions. The event will start with a lecture on Madam Curie followed by various eminent speakers from all over the country and abroad. Jaypee is a brand new 525 bedded hospital on Greater Noida Expressway equipped with advanced Radiation Oncology facilities like Truebeam STx, with 120 HDMLC, 6-DoF couch and Real-time Position Management system.

The purpose of the celebration is to promote the visibility of Medical Physicists and their role in medicine and also to raise awareness to others on Medical Physics profession. We request your presence as delegates and faculties to felicitate this event. We would like you to join hands in supporting this event so that it becomes huge success.
