Invitation

Dear Colleagues,

It is a great pleasure inviting you all to the 19th Annual Conference of Association of Medical Physicists of India, Tamilnadu and Puducherry Chapter (AMPITNPYCON2014) to be held during December 20 and 21, 2014 at JIPMER, Puducherry. The theme of the conference is "Meeting Challenges with Technology".

We are happy to share with you that this will be the third state conference and the second AMPI state conference organised by JIPMER. Moreover, this conference is organized during the Golden Jubilee Year of JIPMER. In continuing with the tradition set in the last year's AMPI TN&PY CON2013 conference organised by Anna University, the postgraduate and doctoral students will get the forum to present their research works in our conference. In addition, we are going to introduce invited talks, or if feasible a session, on statistical analysis of data and scientific writing to be delivered by the experienced faculty from JIPMER, which we believe, will be highly useful to many of the participants.

We are all aware that new technologies are introduced worldwide almost every day and that they are immediately made available in every corner of the world. Whether, these new technologies bring with them solutions needed to meet the existing challenges or not is something that only organized scientific studies can only reveal. So far, new technologies, apart from giving solution to the existing challenges, also throw completely new challenges. Thus, the theme of the conference is chosen to deliberate more about the new technologies, the solutions and challenges accompanying them.

We are also making all arrangements for the participants to have a leisure times after the day-long rigorous presentations and deliberations so that AMPITNPYCON2014 will be a memorable occasion to them.

We welcome you all to this academic feast and look forward to meeting you in person.

With warm regards,

Dr.S.Ganesan Chairman, AMPI, TN&PY	Prof.N.Surendran Secretary AMPI, TN&PY	Dr.S.Vivekanandam Organising Chairman AMPITNPYCON2014	Dr.N.Vijayaprabhu Organising Secretary AMPITNPYCON2014
